

HIGHLIGHTS

- Fifteen years experience as an entertainment media generalist putting pixels, productions, pages, projects, prose, people, and places in clever order for the digital media, film, television, commercial, and publishing industries.
- Provided overall design and original graphics for two *New York Times* bestselling books.
- Original props and set dressing artwork given independent bonus feature galleries on DVD and Blu-Ray release.
- Experience in media production, project management, and art direction.
- Proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign, etc.), office, productivity, and editing software.

EXPERIENCE

Freelance Graphic Artist 1997–Current

- Worked closely with clients to design original graphics, layouts, props, and logos per their needs and personalities.
- Coordinated with publisher's production and art departments to prepare layouts for print per specifications.
- Created original artwork, ranging from photo-manipulations and multi-layer compositions to illustrations.
- Designed and laid out the overall appearance of books, including cover design.
- Designed promotional materials for client's book tours and similar events.

Video Producer Apr–Dec 2010

AdultSwim.com/Adult Swim Digital – Turner Broadcasting, Inc. (Broadband Network)

- Devised the video scheduling strategy for the Adult Swim brand of Turner's company-wide broadband authenticated video initiative ("TV Everywhere").
- Crafted and maintained monthly video schedules, assisted with devising new video distribution strategies, managed video clip deliveries to media partners, and oversaw daily video deployment.
- Created support images and wrote additional copy to assist processing of new episodes, video clips, and promos.

Super Deluxe – Turner Broadcasting System, Inc. 2006–2008

Sole Operator (May–Dec 2008)

- Created original artist/series webpage artwork, video thumbnails, and artwork for sponsor/house ads and banners.
- Created, updated, modified, and debugged web pages and widgets (html/css).
- Screened, conformed, re-edited, sanitized, or otherwise adjusted content for publication and/or repurposing.
- Programmed and wrote copy and metadata for video premieres and reruns; compiled program blocks for distribution partners; coordinated with Legal and S&P departments on content ratings and risks.

Content Production Manager (2006–2008)

- Wrote and designed comprehensive Delivery Guidelines documents to educate producers, artists, coworkers, and supervisors on digital media and the company's specifications and standards.
- Developed the organizational structure, standards, and precedents for over 1,700 commissioned productions, involving over 250 producers and artists and up to 75 active projects at a time.
- Identified and solved problems relating to technical, production, and content aspects of delivered videos.

My Name Is Bruce – Dark Horse Entertainment (Feature Film) 2006

Associate Producer

- Worked closely with other producers to facilitate production's needs regarding personnel, equipment, locations, transportation, budget, and schedule.
- Acted as on-set producer and liaison between producers and staff regarding equipment issues and personnel concerns.
- Organized pre-production payroll services, vendors, accommodations, filming guidelines, labor issues, and human resources.

Graphic Artist

- Worked with director and production designer to create wardrobe elements, mock film posters, tongue-in-cheek product labels, and other props and set dressing elements (spotlighted as DVD and Blu-Ray bonus features).
- Created stylized/period images for alternate opening credits sequence.

Production Locations 2000–2006

Location Manager (2003-2006), Assistant Location Manager (2004–2005), Locations Assistant (2000-2004)

- Six years experience in location management and scouting for the feature film, television, and commercial industries.
- Please visit www.kiffington.com for duties, responsibilities, and filmography.

Art Director 1996

Running Time – Becker Films (Feature Film)

- Worked with director to create set designs and collect set dressing and props.
- Managed staff, budget, schedule, transportation, construction, purchasing, rentals, and other resources.
- Supervised and assisted in the decoration and maintenance of all film sets.
